University of Maryland University College

Undergraduate Certificate in Management

Campus: Asia/Europe On-site and Online

Degree Objective - The management certificate is designed to provide students with the foundation necessary for understanding business functions from a management perspective so they will possess the necessary competencies as they are promoted through supervisory levels of an organization. *www.ed.umuc.edu/undergrad/certificates/certificate_in_management.html*	**Portable Jobs and Careers** - This certificate can assist in obtaining portable jobs in many fields. **Program / project management:** Help determine both technical and business goals in consultation with top management and make detailed plans for the accomplishment of these goals. This requires a strong understanding of both technology and business practices.

Academic Residency - At least 9 credits must be taken with UMUC.
